

**\*Parents, as you get your student ready to come back to school, these are the supplies that your student's teachers would like to have donated by each student to use throughout the year in class. No need to buy a bunch of extra stuff, this list had been created to show you exactly what each student will need if you are able to donate.**

Every child needs to have a backpack that is large enough to carry work and important papers back and forth from school to home without having to fold them. If this is a problem, our school counselor has access to backpacks and is willing to help.
