

5th Grade Donation List

We are so excited to see you move from 4th to 5th grade and we can't wait to meet you all! This year will be so exciting and fun because you are finally a 5th grader! You're the oldest in the school and everyone will look up to you to be a great example. Below is a list of supplies that would be used in the classroom. If you happen to be shopping this summer, and see some great sales on any of these items, pick them up and we'll be super prepared when school starts!
