

TRANSPORTATION

Buses are provided both to and from school for students who live further than a mile and a half from the neighborhood elementary school. Students who come and go from school by any means other than the bus should plan on arriving no earlier than 8:50. Not all schools allow bikes, however for those who do allow bikes, students riding bicycles or scooters must park them in the bike racks and leave them there until school is dismissed. Please lock bikes, as the school cannot assume responsibility for lost or stolen bicycles. If parents bring students to school, please drop them off and pick them up in designated areas only. Do not double park or have children cross the driveway or come between cars. With so many parents dropping off and picking up, safety is critical. Please drive slowly and watch for children.
